

Director's Corner

Shipmates, December is upon us and I want to take this time to wish you and your families a joyful and prosperous Holiday Season. If you are planning to take holiday leave...Please be careful and enjoy your well deserved time off. What I want and expect is to see you all back safe and sound so we can kick off 2012 together!

Now as I promised, I will address a few of the issues identified by your CEL Survey inputs. The topics for this month are appliance change-out, cameras in the Iowa Estates (IE) garage and HVAC system control at SP-29.

Some of our existing buildings are equipped with the smaller refrigerators. My goal is to

start replacing the small frigs with new 10 cubic foot stand ups. I will start the process in the 1st quarter of 2012.

Cameras in the IE garage? First, no amount of cameras will stop crime! Look at banks, they have cameras ... are some still robbed? Yes they are! The best and most effective way to deter vandalism is to stay vigilant and report any issues to the proper authorities. I will say it again; I need your help in preventing vandalism. Get involved in your community. Now to answer the question ... I do not see any cameras in the IE garage in the near future.

Lastly, HVAC controls at our existing facilities. The Direct Digital Computer (DDC) sys-

tem controls AC and heating for the buildings. This means a computer controls individual units through temperature settings and in conjunction with motion sensors. For example, if the sensor does not detect motion in a unit (let's say you are sleeping), it goes into a power save mode, turning off the AC/Heat, thereby saving electricity. We are currently in the process of individually rewiring the units to accept stand-alone thermostats to allow the residents to adjust temperatures as needed. This process will take time to complete so please have patience.

More to follow.....

Enjoy your Holidays!!

Shipmates,

The holidays are here and for those of you planning to put up some holiday decorations in your unit, let me remind you of a few safety rules. Always use caution when dealing with electrical decorations, especially lighting and ornamental type displays. Never overload any circuit with adapters for multiple outlets. Inspect your extension cords and lighting fixtures for good material condition or wear. Never place any heat producing decoration near combustibles or materials such as window treatments or linen. The main idea is safety, your safety!

Again, be safe and enjoy the Holiday Season!!

CONTROL

Do not give your room key to anyone.

Be in control of your space.
If someone else has your key they have control.
But you will be held responsible.

Transferring From

Ship to Shore or Vice Versa...

Please remember to bring a copy of your transfer orders to the Leasing Office when you check into your new Command. **If you fail to do so, your BAH will be stopped as this changes your PSD designation.** We can only restart it with a copy of your orders and this can take up to 30 days to process.

NOTICE

PER YOUR LEASE

NO GUNS OR WEAPONS OF ANY KIND ARE ALLOWED ON HHR PROPERTIES.

VIOLATIONS ARE SUBJECT FOR EVICTION

Guests must be accompanied by their sponsoring resident at all times.
You are responsible for your guest.

To create and use the ACCWAY account, you MUST use the same email address you provided to the leasing

department at lease signing.

“THIS IS THE EMAIL ADDRESS ON YOUR LEASE.”

How to Submit an Online Service Request

Go to <https://www.accway.com>. This website will take you to the “Welcome to the American Campus Communities Resident Portal.”

1. If you have not already created an account, click “DON’T HAVE AN ACCOUNT YET” under Log In.
2. Enter the personal information requested. Be sure to enter the email address stated on your application, your last name, date of birth and the last four digits of your social security number.
3. Upon completion of creating your new account, check your email! Receive conformation of your new pass word.

Fire Alarms

When fire alarms sound you **must** leave the building. **Do not** disarm the fire alarm, **it is against the law.**

Move-out Policy

When moving out of PPV Housing you are required to give HHR a 30 day written Notice of Intent to Vacate in person. They will then schedule pre-inspection and set the date for final inspection. You will be responsible for any damages or cleaning needing to be done. Upon check out you will turn in your access card, room key and parking permit. HHR staff will coordinate the suspension of the allotment.

This process should ensure your pay will not be affected after you move out.

Leasing office: Miller Hall U-16, 1274 Cowan St.

Being Discharged Soon?

If you are; there are some things you should know. First, you need to complete a Notice to Vacate with our Leasing Department and second, you need to see the bookkeepers regarding your final rent payment. The primary reason behind this...PSD will stop your allotments 30 days prior to your discharge date and due to this fact, you will receive your BAH in your check. Remember, your BAH covers your PPV rent and normally comes to us via allotment. Since the BAH will be in your checking account you need to pay your PPV rent directly! If you vacate without properly settling your account and if we don’t hear from you within 45 days, your account will be turned over to Norfolk General District Court for collections. As a note; you are entitled to and will receive your BAH until the last day on active duty. **It is your responsibility to ensure your rent is paid prior to being discharged.** HHR bookkeepers are available to answer any of your questions.

They can be contacted Monday – Friday, 0730 – 1600 at 757-402-4230/33/34.
