U.S. Military Trivia

1. What class of carriers preceded the Enterprise?
2. Who was Carl Brashear?
3. What battleship sank in Havana Harbor?
4. Who was the Chief of Naval Operations during the Cuban Missile Crisis?
5. Who was Doris Miller?
6. When did Pearl Harbor become a naval base?
7. What are the official Navy colors and the meaning?

Shipmates,

Some topics need to be periodically repeated due to so many shipmates coming and going. One topic especially important is safety! Before you know it "Spring" will have sprung and as always, it will bring with it some hot and dry temperatures. How is this safety related? I have landscapers responsible for maintaining the lawns and flowerbeds. One task performed every year is fresh mulch around the building vegetation. A careless or inadvertent disposal of a cigarette/cigar into a flowerbed can ignite a "mulch fire" and it can easily get out of control and cause some serious damage. Please use caution when smoking and use an authorized butt kit to extinguish your smoking material.

Exit signs – they serve an important purpose in our buildings; they notify people of the quickest way to vacate a floor or building in case of an emergency. For those of you (and YOU know who you are) thinking it is hilarious to keep knocking these signs down are going to find out the hard way... they were the cause of a person losing their life. Don't let pent up aggression dictate your actions; please respect the intent of the "exist signs." Stand up and report damaged signs and better yet report individuals instigating the damage. The life you could be saving just might be your own.

Phones – whether they are cell phones or the old traditional land line, these two are probably the best way to contact your buddy vice trying to bounce the small rock off the window to get their attention. The "rock tossing" concept only seemed to work for Jimmy Stewart in "It's a Wonderful Life." Why do I mention this? Lately we are finding sporadic broken balcony windows and guess what was found next to the broken glass...you guessed it, a "small rock."

Rewards – If you are tired of people not respecting the property or your surroundings, let us know. If the information leads to a conviction of the offense; there could be some financial compensation.

Hope to see you soon at some of our activities.
Director of Operations

Shipmates,

OSA assignments; No More GSA's for Enlisted Sailors

BLUF: Know the changes from GSA to OSA and how to apply for an OSA assignment.

Global War on Terrorism Support Assignments (GSA) for enlisted Sailors has been replaced by Overseas Contingency Operations Support Assignments (OSA).

Here are a few of the OSA changes:

- No more PCS moves.
- Sailors who volunteer for an ISA will receive TEMADD orders.
- Upon OSA completion, Sailors return to their current commands for 60 days for post-deployment screening, leave and subsequent transfers to their next duty assignment.

BLUF: The PTS program is a vital part of our Navy's Total Force strategy, providing an opportunity for the best and brightest Sailors to meet current and future fleet manpower requirements.

Commands are reporting much higher application numbers since the October merger of PTS/Fleet Ride which was announced in NAVADMIN 352/10. The most appreciated feature is the automatic running of Fleet Ride on each Sailor to determine what ratings a Sailor qualifies for based on ASVAB scores and other factors.

Sailors who set their sights on conversion must ensure their ASVAB scores are high enough and that they're committed to getting through A-School for the new rating and new job. Are you ready?

Naval Academy Opportunity

BLUF: Enlisted Sailors who meet the requirements can be accepted in the U.S. Naval Academy.

U.S. Naval Academy (USNA) Enlisted Applicants Opportunities give enlisted Sailors an opportunity to be accepted to the U.S. Naval Academy. Each year, the Secretary of the Navy has 170 nominations for qualified Sailors. Last Academy class, only 34 nominations were utilized.

For more information on Sailor admission to the Naval Academy or NAPS, contact ETCS Maxwell, NAPS/Fleet Coordinator for USNA Admissions at (410) 293-1839, email at : emaxwell@usna.edu, or visit <http://www.usna.edu/Admissions/steps.htm>, about the application process.

Being Discharged Soon?

If you are; there are some things you should know. First, you need to complete a Notice to Vacate with our Leasing Department and second, you need see the bookkeepers regarding your final rent payment. The primary reason behind this...PSD will stop your allotments 30 days prior to your discharge date and due to this fact, you will receive your BAH in your check. Remember, your BAH covers your PPV rent and normally comes to us via allotment. Since the BAH will be in your checking account you need to pay your PPV rent directly! If you vacate without properly settling your account and if we don't hear from you within 45 days, your account will be turned over to Norfolk General District Court for collections. As a note; you are entitled to and will receive your BAH until the last day on active duty. **It is your responsibility to ensure your rent is paid prior to being discharged.** HHR bookkeepers are available to answer any of your questions. They can be contacted Monday – Friday, 0730 – 1600 at 757-402-4230/33/34.

Move-out Policy

When moving out of PPV Housing you are required to give HHR a 30 day written Notice of Intent to Vacate in person. They will then schedule pre-inspection and set the date for final inspection. You will be responsible for any damages or cleaning needing to be done. Upon check out you will turn in your access card, room key and parking permit. HHR staff will coordinate the suspension of the allotment. This process should ensure your pay will not be affected after you move out. Leasing office: Miller Hall U 16, 1274 Cowan St.

Transferring From Ship to Shore or Vice Versa...

Please remember to bring a copy of your transfer orders to the Leasing Office when you check into your new Command. **If you fail to do so, your BAH will be stopped as this changes your PSD designation.** We can only restart it with a copy of your orders and this can take up to 30 days to process.

Thanks!!
